

RS Class Association Rules for Rooster National Tour 2023 and RS200 Rooster Championship Tour 2023

The Rooster National Tour 2023 and RS200 Championship Tour 2023 will include the events as listed on each class specific website calendar.

Each event Organising Authority will issue a Notice of Race for that individual event.

Series score for the Rooster National Tour 2023 and RS200 Rooster Championship Tour 2023 will accrue to a helm. Crews may change from event to event. Only event scores accrued by the same helm will count towards the Rooster National Tour 2023 and RS200 Rooster Championship Tour 2023.

Each helm's event score will be equal to their final overall position for that event. For events where a helm does not obtain a final position, they will be awarded an event score equal to the number of qualifying helms in the series plus one, as per DNC rule. If a helm has final position for any event in a series, they shall be scored for the whole series.

A helm's total series score will be the sum of their event scores excluding their worst event scores according to the following table:

Number of events run	Number of excluded scores
8-9	4
6-7	3
4-5	2
3	1
1-2	0

If there is a series-score tie between two or more helms, they shall be ranked in order of their event scores from the final event. Any remaining ties shall be broken by using the tied helms' scores in the next-to-last event and so on until all ties are broken. These scores shall be used even if some of them are excluded scores.
